

3) Start to play! How to use the dashboard

Touch the "welcome" character with your talking-pen, listen to the message and follow the instruction given. Select language and topic from the menu on the world-globe.

With your talking-pen select one of the four games on the dashboard. For games 3 and 4, select if you want to play alone or challenge another player as well.

Touch "go" when the second player needs to start playing.

- Game 1: guess the country
- Game 2: guess the country - level 2 (difficult)
- Game 3: Countdown
- Game 4: Countdown level 2 (difficult)

1) Get familiar with your talking pen

Just press the 'ON' button for a few seconds to turn the pen on.

When the light turns blue, you are ready to go.

If the light turns red, you need to charge the pen battery. Just connect the pen to a USB port on your computer or the included USB wall charger.

When the red light goes off the Pen is fully charged and ready for use

To regulate the volume, use the + and - button. To turn the pen off, press the 'ON' button for a few seconds. If you want to take a break without turning the Pen off, just press the 'ON' button once to pause it, and once again to restart it.

2) Get familiar with your Parlamondo

Select language and topic from the menu on the world-globe and touch the country to begin. You can change the language any time you want.

4 short menus
(concise recorded information)

- Country name
- Population
- Capital
- Language

4 menus with detailed information

- Physical geography
- Political geography
- Important facts
- Interesting facts

Choice of 6 languages
(interchangeable at any time)

- Italian
- English/American
- English/British
- German
- French
- Spanish
- Portuguese

1) Place the pen on your language of choice and wait for an answer.

2) Do the same thing on the Topic Menu, when choosing one of eight topics. Now the adventure begins!

3) Touch the country on geographical area you are interested in with the tip of the pen.

4) You can change the language or topic whenever you want by moving the tip of the pen.

The smallest countries have a red dot near them. Just touch the red dot with the tip of your Pen.

Parlamondo is full of information about the Oceans and Seas: just touch the body of water you are interested in learning about with the tip of your pen.
